NOTICE REGARDING NONPUBLICATION REQUEST

The nonpublication request filed on 02/17/2004 is acknowledged.

- Applicant has requested non-publication, certifying that the invention disclosed in this application has not been and will not be the subject of an application filed in another country, or under a multilateral agreement, that requires publication at eighteen months after filing, and has also claimed the benefit of an application filed in another country or under a multilateral agreement. Because this certification is inconsistent with the priority claim, the Office has scheduled this application for publication in accordance with 37 CFR 1.211(a). If applicant considers the certification submitted with this application to be consistent with the priority claim and persists in requesting that this application not be published pursuant to 37 CFR 1.211, applicant has a non-extendable time period of thirty (30) days from the mail date of this notice to provide a satisfactory explanation as to how the certification submitted with this application is valid in light of the priority claim.

Questions regarding this notice may be directed to the Office of Initial Patent Examination at (703) 308-1202.
